

Novo Nordisk Grants & Donations Process

Support Types

Grant

Novo Nordisk Pakistan supports high quality continuing and independent medical educational programs (CMEs & IMEs) in the therapeutic areas in which we operate – diabetes care, haemostasis management and growth hormone-related disorders. Novo Nordisk Pakistan only provides grants to reputable organisations or institutions in compliance with all applicable laws, regulations and Novo Nordisk policies.

Consistent with all applicable laws and ethical standards under which Novo Nordisk Pakistan conducts business, grants are never provided to unduly influence prescriptions, purchasing, formulary status or reimbursement.

All grant requests (for activities taking place within and outside Pakistan) must be submitted to the Grants and Donations Committee for review and consideration. Novo Nordisk Pakistan only provides donations to reputable organisations or institutions.

As a commitment to improving patient care, Grants and Donations Committee will evaluate educational grant requests that are independent of commercial bias and are non-promotional in nature.

Grants and Donations Committee will accept grant requests for professional medical education programs from the following:

- Accredited continuing medical education providers
- Hospitals
- Professional medical association/societies

Donations

Novo Nordisk Pakistan provides charitable donations for philanthropic purposes that support local communities in line with Novo Nordisk's Triple Bottom Line with the ultimate aim of benefiting patients.

Novo Nordisk Pakistan only provides donations to reputable organisations or institutions in compliance with all applicable laws, regulations and Novo Nordisk policies.

Consistent with all applicable laws and ethical standards under which Novo Nordisk Pakistan conducts business, donations are never provided to unduly influence prescriptions, purchasing, formulary status or reimbursement.

All donation requests must be submitted to Grants and Donations Committee for review and consideration.

As a commitment to improving patient care, Grants and Donations Committee will evaluate donation requests that are independent of commercial bias and non-promotional in nature. Grants and Donations Committee will accept donation requests for charitable and philanthropic purposes from the following:

- Local non-profit organisations or institutions
- Local charitable organisations
- Local patient organisations

Eligibility & Approval Criteria

As a general guidance, please note that Novo Nordisk Pakistan's Grants & Donations Committee only considers requests:

- From appropriate and reputable Organisations/Institutions in Pakistan in line with Novo Nordisk's Triple Bottom Line commitment with the ultimate aim of benefiting patients
- Received with complete documentation through proper channels at least 8-12 weeks before the activity

Please do not submit your request to a Novo Nordisk Sales or Marketing employee. This is against the policy of Novo Nordisk.

While each application type has a unique set of approval criteria,

Novo Nordisk Pakistan generally supports initiatives that enhance treatment and healthcare delivery to patients and promotes awareness of conditions that fall within our therapeutic areas – diabetes care, haemostasis management and growth hormone-related disorders with the ultimate aim of benefiting patients.

Outside of Eligibility Scope

Novo Nordisk does not provide:

- Grants to individual HCPs, patients, political parties or officials
- Grants to Individual HCP requests for education, sponsorship, travel
- Grants for Investigator Sponsored Studies (ISS)
- Grants to individual HCPs for independent publications
- Grants for activities that have already started
- Support for Textbooks or Medical Utility Items
- Support for Fundraising activities (e.g. walks/runs)

Request Submission

You may submit a Grants or Donations request with complete documentation via email or courier. Kindly ensure your request meets the following requirements:

- Request letter on official letterhead with signature, stamp and date of your institution or organisation
- Objective and purpose of the request i.e. details of ultimate benefit to patients
- Support required i.e. financial amount or the description of in-kind contribution including detailed budget information

Request may be submitted:

By email at: GDSCOMMITTEE@novonordisk.com

Or by courier marked to the attention of:

Grants & Donations Committee
Novo Nordisk Pharma (Pvt) Ltd
113 – Shahrah-e-Iran, Clifton
Karachi, Pakistan

Please do not submit your request to a Novo Nordisk Sales or Marketing employee. It is against the policy of Novo Nordisk Pakistan.

Application Processing

No request is reviewed until a complete application with required documentation is received.

The review process takes approximately 8-12 weeks depending on the nature and size of the request. You can assist in minimizing this timeline by providing complete and accurate documentation in a timely manner.

Please do not consider any request approved until you receive an approval letter related to your grant and donation request.

We evaluate every request on its individual merits and in accordance with our internal policies. Previous Grants or Donations approved by Novo Nordisk Pakistan do not guarantee future support.

You will only receive a notification if your request is approved.

Novo Nordisk sales or marketing employees do not have any information regarding the status of your donation or grant request. For status update or queries related to submission of a request, kindly contact:
